# SUMMER 2016

## Class Catalog

Summer 2016

# welcome!

There are many wonderful new classes this session, plus lots of returning favorites. We know summer is an eventful season, so we're offering plenty of shorter classes and one-time workshops to fit with any schedule.

I am a bit of a foodie, so I am looking forward to our cooking classes including a seasonal eating series with the Nashville Farmers' Market and our "Whole Wheat Bread Basics" workshop (p. 14).

After all that snacking I'll go burn some calories in our new "Beginning Running" class where we'll cover topics like training, stretching, and gear before the class heads out on a weekly jog (p. 10). Then I'll stimulate my mind and soul in "Meditation & Aromatherapy" or maybe "Self-Care: Cultivating a Morning Ritual" (p. 13).

No matter what classes you decide to take, NCE thanks you for helping us enrich the diverse fabric of Nashville.
